**Travel:**

In order to participate in the workshop, you will need to arrive on 22 September. You can either depart in the evening of 24 September, after the social programme, or on 25 September.

EPDAD will organise a shuttle service between Istanbul Airport and the hotel on 22 September (arrival), 24 and 25 September (departure). If you want to make use of this service, please book flights to and from **Istanbul Airport**, not one of the other airports. Moreover, please check the appropriate box in the registration form and specify your arrival and departure times.

If you do not want to use the shuttle service, here is how you get to the hotel.

**Public transport:**

The Metrobusses H-2 and H-3 take you into the city from the airport, but you have to change at least once to reach the hotel.

One example: H-2 Metrobüs from Vip Terminal to Nurtepe Viyadük -> 500T Bus (direction Cevizlibağ) to Topkapı Alt Geçit -> 500 m walk to the hotel

**Taxi:**

There are three different types of taxi taking you into the city (orange, turquoise and black). The orange ones are the cheapest, the turquoise ones 15 % more expensive, the black ones 70 %.
